Admissions to the Students of Mizoram through our CSR initiative -

"Samarthan"

"Greetings from Rajadhani Institute of Engineering and Technology", Trivandrum,
Kerala.

Sir,

I may be kindly permitted to submit the following in connection with the admission to various courses under the aegis of Rajadhani Institute of Engineering & Technology, Rajadhani Hills, Attingal, Trivandrum, Kerala.

Rajadhani Group of Institutions would like to introduce ourselves as one of the leading socially sensible Business Groups in South India operating primarily in Kerala and Tamil Nadu. Rajadhani Group of Educational Institutions is one of the leading groups in the Higher Education Sector in Kerala which offers professional courses in Engineering, Business Administration, Hospitality Management and Diploma courses under the aegis of Indira Charitable Trust. Apart from higher education, our business interests are in Hospitality, Construction and Information Technology.

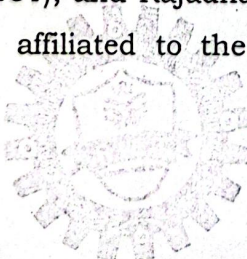

Our Educational Institutions include Rajadhani Institute of Engineering and Technology (RIET), offering BTech & MTech, Rajadhani Institute of Hotel Management and Catering Technology (RIHMCT offering BHMCT), and Rajadhani Business School (RBS offering MBA). All these institutions are affiliated to the APJ Abdul Kalam

Technological University, Kerala and approved by the All India Council for Technical Education (AICTE), New Delhi. We are partnering with ICT Academy of Kerala, K-DISC, ASAP and AICTE Idea Lab Network for the benefit of student's community.

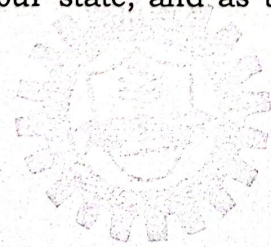

We are extremely happy to share you that our College, Rajadhani Institute of Engineering & Technology, Attingal, Trivandrum has been selected as **India's "Best Engineering Institutes 2024 by Careers 360"** after **Evaluating the quality of Students, Faculty, Infrastructure, Graduate outcomes, Placements, Diversity and Research output.**

Presently RIET ranked 1st among the Best Self Financing College in Trivandrum District, ranked 6th among the Best Self - Financing Colleges in Kerala and ranked 11th among the Best Engineering Colleges in Kerala including Government Engineering Colleges by KIRF (Kerala Institutional Ranking Frame work), Department of Higher Education Government of Kerala.

As a socially committed institution, Indira Charitable Trust strives to convert every bright student's dream to become a competent professional through our CSR initiative - "Samarthan", which was initiated seven years back. Under the gamut of this scheme, bright students, especially those from weaker strata of the society will be supported through scholarships leading to **full-tuition fee waiver** in any of the following discipline.

Accordingly, during the previous few years we have already admitted more than 100 students from the state of Mizoram into our various B.Tech/BHMCT/MBA programs. We are glad to state that the majority of students admitted under "Samarthan" have performed exceptionally well in their academics and they were got placed in various firms including the state government departments accordingly. **With Government of Mizoram's support, we are ready to waive tuition fee for 50 students in various B.Tech programs;** like, Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Aeronautical Engineering and Robotics & Automation, BHMCT programs and MBA programs.

We would like to assure **the Honorable Chief Minister of Mizoram** that we can endow deserving students from your state with quality education. Finally, as a learned person who prioritizes higher education of your state, and as the **chief Minister of**

the state, we trust that your high office may kindle the spirit among the aspirants from your esteemed state to do their higher education at our Institute through your governments' support. Further, we have the world class hostel facilities for the Boys and Girls separately at our own campus and they will be given parental care by the institution.

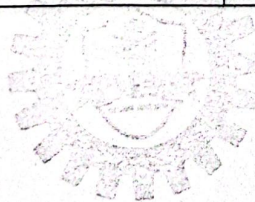

Therefore we request your high office kindly direct the respective higher education officials in your state to select the most deserving students through press release, with the appropriate eligibility, as noted below. We are offering the following Engineering branches to the aspiring students.
